

REMARKS

Claims 2-68 were presented for examination. Claims 2-68 were rejected under the judicially-created doctrine of obviousness-type double patenting over claims 1-46 of U.S. Patent No. 6,748,287 B1. Applicant is submitting herewith a Terminal Disclaimer to obviate the double-patenting rejection with respect to the cited patent.

Entry of this Terminal Disclaimer, which is believed by Applicant to place this application in condition for allowance, is respectfully requested. If the Examiner disagrees or believes that for any other reason direct contact with Applicant's attorney would help advance the prosecution of this case, the Examiner is invited to telephone the undersigned at the number given below.

Reconsideration of this application with Terminal Disclaimer, and allowance of all pending claims, claims 2-68 as amended, are hereby respectfully requested.

Respectfully submitted,

Date: MAR. 24, 2006
